* - This denotes a player who has a 2 year tour card covering the 2017/18 and 2018/19 season.

ITC - This denotes a player who has an Invitational Tour Card to compete in events

Where prize money is won without a player winning a match in a tournament, other than in the World Grand Prix and Players Championship, NONE of that prize money will count towards these prize money rankings.

Where prize money is won by a player at a qualifying venue and that player does not go on to compete at the final venue, for whatever reason, that prize money will not count in the prize money rankings until the situation has been considered by the appeals committee who may, at their absolute discretion, allocate ranking points where it can be demonstrated that there are extreme mitigating circumstances. These points will be allocated from the date of the committee meeting and will not affect previously issued draws.

Start ranking relates to the ranking position at the start of the 2017/2018 Season prior to the first main tour ranking event, The 2017 Kaspersky Riga Masters. Those players marked 'NEW' were new to the tour for the 2017/2018 season.
